

A9915035 Play easy Controller

This user-friendly and powerful controller allows users with minimal knowledge of DMX controllers to be able to select from a wide range of pre-set AUTO/CHASE programs at the LCD display. Simple RGB color mixing can be achieved using the simple STATIC RGB color mixing function. An accompanying IR-remote allows simple push button access for even more straight-forward control. More powerful functions include a schedule play function, a DMX recorder which can record upto 24hrs of DMX data (DMXcast), and a fully programmable custom program function.

Technical specifications:

AC input:	100-240VAC 50/60Hz
